Screen shot below show login interface (for existing user) and registering interface (new user).

If You forgot your password, click the click "Forgot Your Password?"

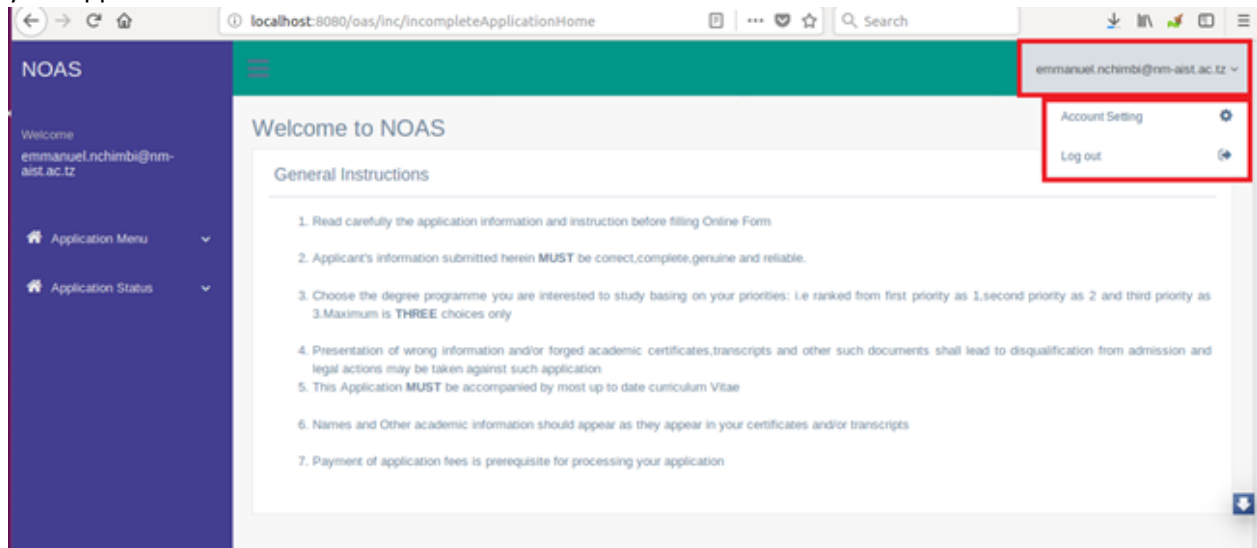

After registering an email will be send to your account for activating your account.

**Security Awareness Note:** Please don't remember/save your password for the system on a public computer and make sure you have logged out of the system after completion.

## LOG OUT

Log out and account Settings (for changing password) are found at the right edge of system by clicking your application email

## APPLICATION AND STATUS MENU

Use the red highlighted menu for application and view application status

The screenshot shows the NOAS application portal. The left sidebar contains a navigation menu with the following items: Application Menu (highlighted with a red box), Personal Information, Intended Study Plan, Academic Information, Research Experience, Employment Information, Sponsorship, Referees, Attachments, Preview and Submit, and Application Status. The main content area displays 'Welcome to NOAS' and 'General Instructions' with seven numbered steps. The footer contains the text 'NM-AIST © 2018 Developed by IRC-NM-AIST All right are reserved'.

## HOW TO USE DATE PICKERS

Choose date or year by clicking small calendar icon highlighted by orange color below.

The screenshot shows the 'Edit Personal Information' form in the NOAS application portal. The form is divided into 'Basic Information' and 'Contact Details' sections. The 'Basic Information' section includes fields for Title, First Name, Other Name, Surname, Marital Status, Gender, Date of Birth, Nationality, and Payment Transaction Number. The 'Date of Birth' field is set to '15.12.2017' and has a small calendar icon highlighted with an orange box. The 'Contact Details' section includes fields for Country (United Republic of Tanzania) and Town (Songea). The text 'All fields with red star are required' is displayed above the form fields.
